

60 x 20 mm

The image shows a schematic diagram of a container or tray. It features a central rectangular area filled with a solid pink color. This pink area is labeled with the dimensions '60 x 20 mm' in white text. The pink area is surrounded by a white border, which is itself enclosed within a larger, irregular white shape that represents the overall container. The container has a slightly wider top and a narrower bottom, with rounded corners. The entire diagram is outlined in black.
